

A PRAYER FOR THE UNBORN 11/17/2012

By Pastor Greg Hooker

In April of 1933, Adolf Hitler launched a killing spree against the Jews resulting in over 11 million people – men, women and children – to be brutally exterminated. With no regard for human life, Hitler gunned down, gassed and beat innocent human beings and bulldozed their bodies into mass graves. These acts against humanity were perpetrated for no other reason than they were born Jewish.

Forty years later in 1973, Roe v. Wade ushered in an even greater holocaust that is still going strong – namely the mass murders of innocent babies through abortion. On average, 1.3 million babies have been slaughtered every year for the past 40 years in the United States. Worldwide, that average is 43 million per year! Think about it; garbage can after garbage can filled with the precious bodies of little ones who could not defend for themselves, could not cast a vote against their demise, and who had no voice, were sent to the incinerators to be disposed of like common household trash!

I'm here to proclaim with the authority of God's Word – the Lord will judge the world, our nation, and every individual who has a part in this wicked and demonic activity! To claim that a baby still in the womb of its mother has no more value than a tumor, goes against all scientific and common sense.

Adolf Hitler was a vile and wicked murderer who will answer before a holy and just God, but everyone guilty of murdering innocent unborn babies will in like manner be judged.

Dear Father of all mercies, please have mercy upon us for allowing such atrocities to take place in our own country. Forgive us for the innocent blood of countless unborn children dripping from our hands. Please put a stop to these senseless killings – may we respect life during all of its stages.

In Jesus name, your son, Pastor Greg.
